

Vaageswari solutions

Commercial Office Development | BIM Modeling & Coordination

Jussrite Drafting & Design delivered coordinated BIM models and construction

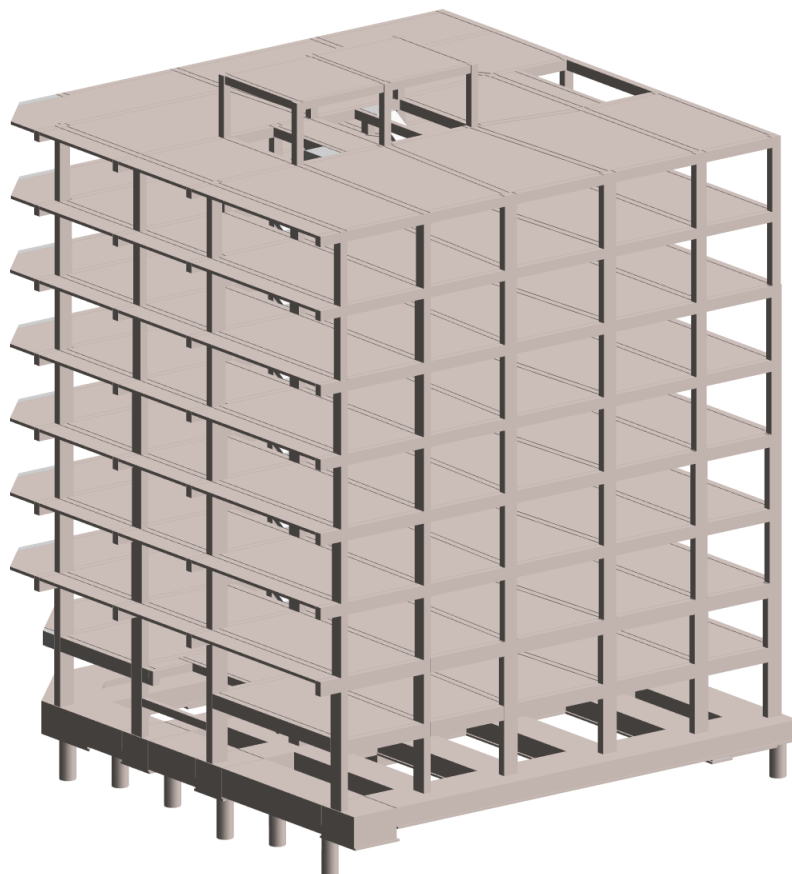

Vaageswari Solutions, enabling improved design coordination, enhanced project documentation for accuracy, and efficient project delivery.

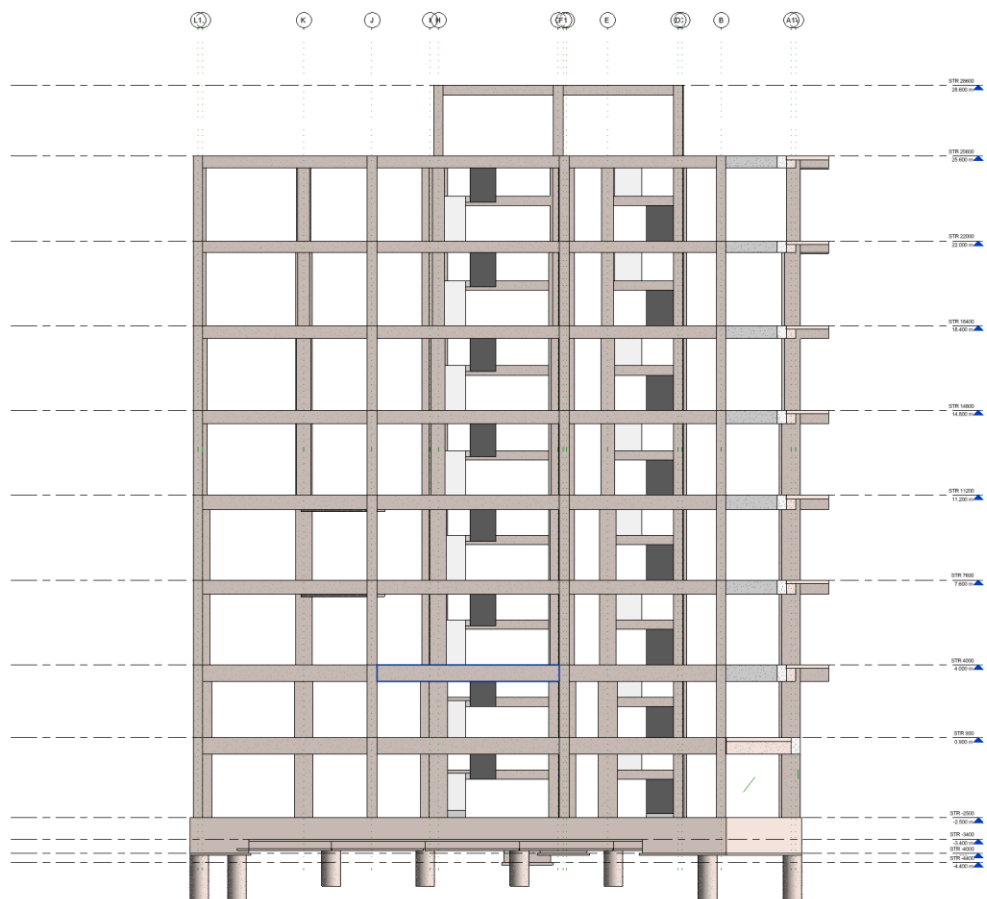

Scope of Services

- Architectural BIM Modeling
- Structural BIM Modeling
- BIM Coordination
- Clash Detection
- Construction Documentation

Key Deliverables

- Coordinated BIM Models
- Floor Plans, Elevations & Sections
- Construction Documentation
- Coordination Reports
- 3D Visualization Views

Nexus One

Architectural & Structural BIM Modeling, MEP Coordination

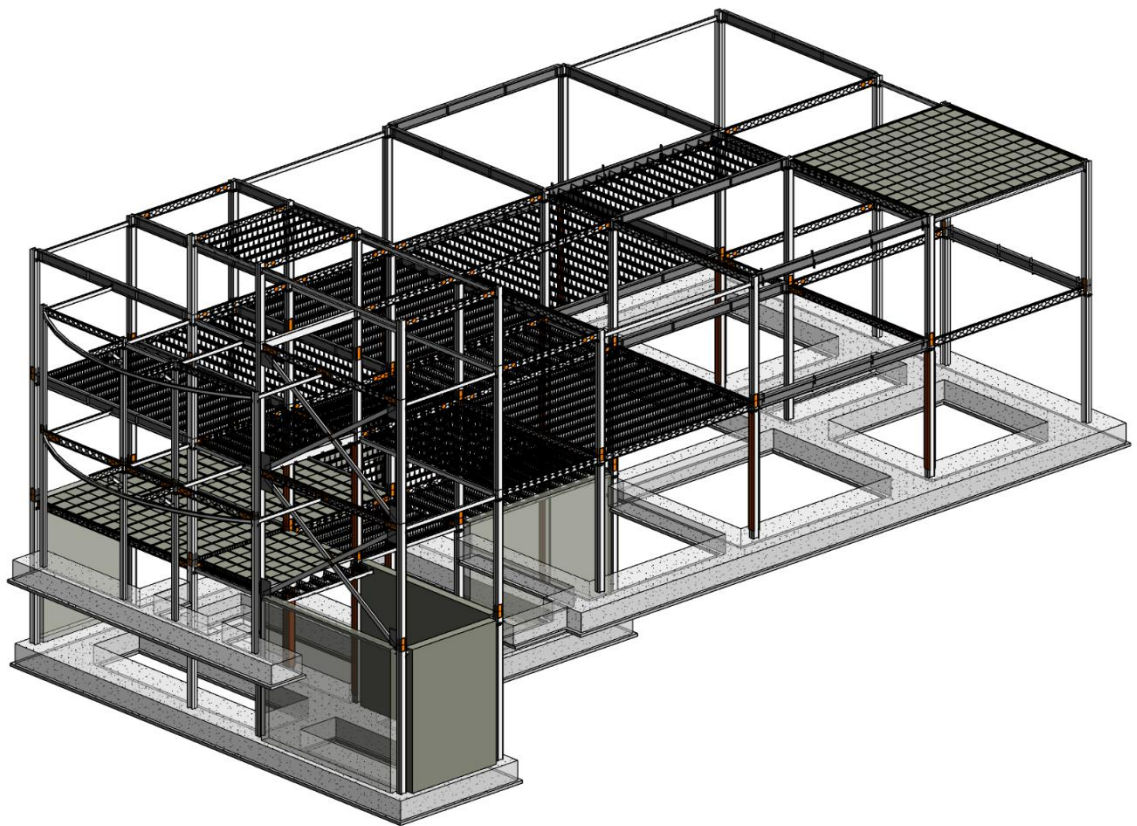

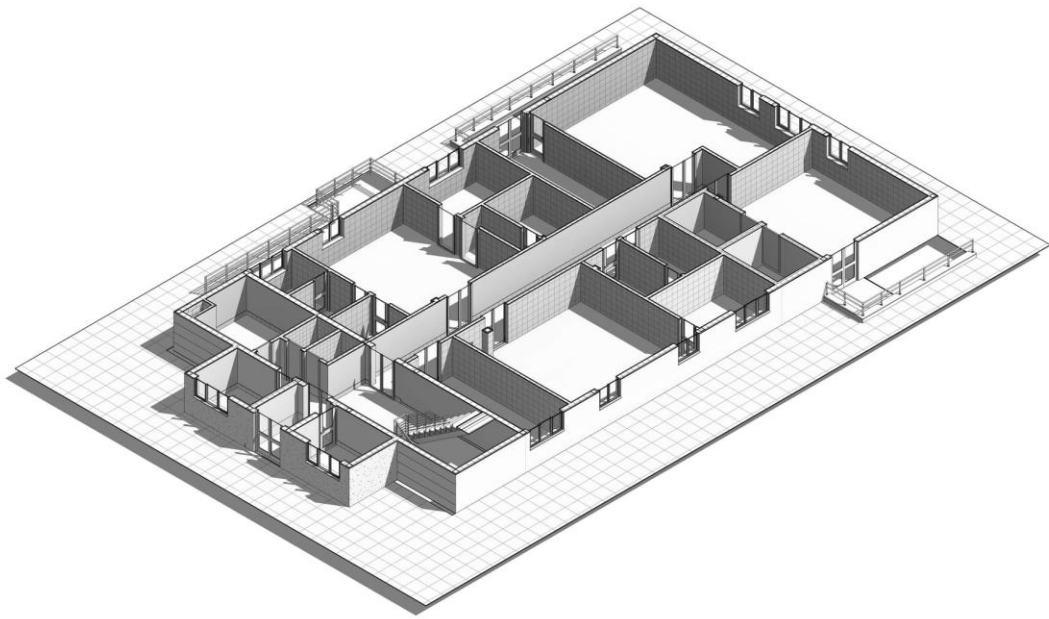

Jussrite Drafting & design delivered comprehensive Architectural and Structural services along with multidisciplinary BIM coordination for the Nexus One project. The BIM modeling scope included the development of coordinated BIM models to support design visualization, clash detection, coordination reviews, and project planning throughout the design and construction phases.

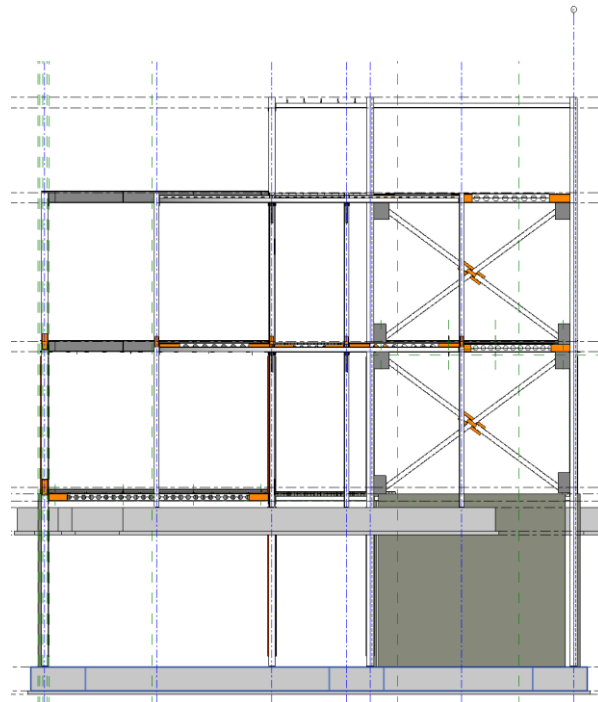

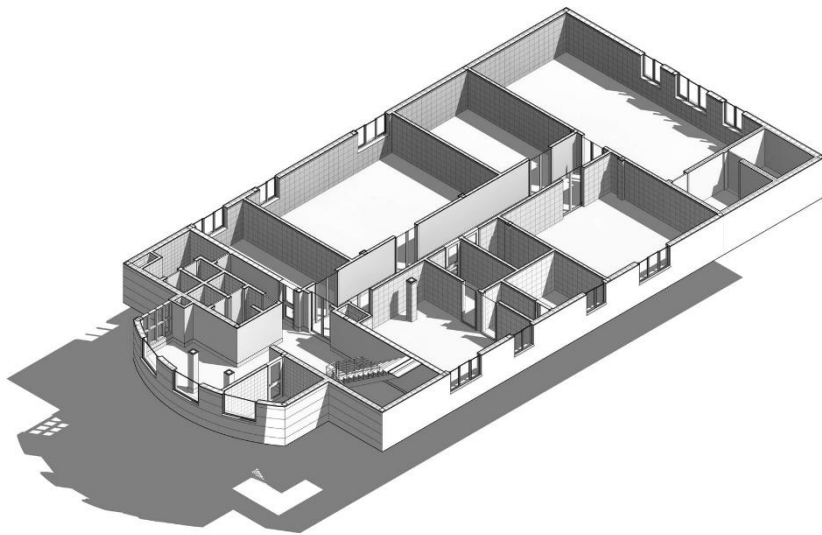

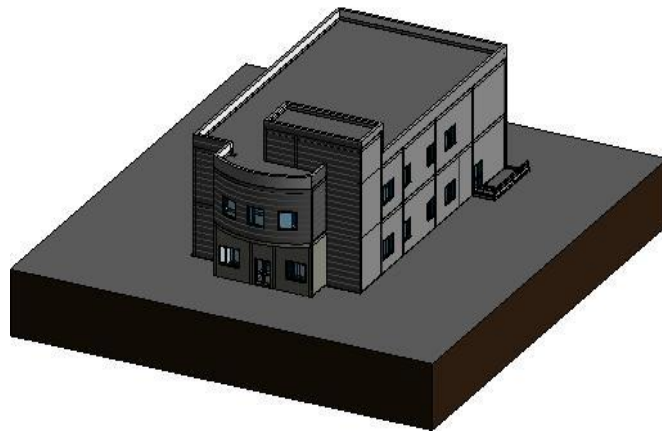

Scope of Services

- Architectural BIM Modeling
- Structural BIM Modeling
- BIM Coordination
- MEP Coordination
- Clash Detection & Resolution
- Revit Modeling
- Design Coordination
- 3D BIM Visualization

Key Deliverables

- Architectural BIM Model
- Structural BIM Model
- Coordinated BIM Model
- Clash Detection Reports
- Coordination Review Models
- 3D Visualization Models
- Construction Coordination Models

Lotus One

Architectural BIM Modeling, Structural BIM Modeling & MEP Coordination

Jussrite Drafting & design successfully delivered Architectural and Structural BIM along with BIM coordination for the Lotus One project. The project involved the modeling services development of coordinated BIM models to support multidisciplinary collaboration, clash detection, design validation, and construction planning.

Scope of Services

- Architectural BIM Modeling
- Structural BIM Modeling
- BIM Coordination
- MEP Coordination
- Clash Detection & Resolution
- Revit Modeling
- Design Coordination
- 3D BIM Visualization

Key Deliverables

- Architectural BIM Model
- Structural BIM Model
- Coordinated BIM Model
- MEP Coordination Model
